Sir,

Subject - Revision of pay of the Steam Road Roller Drivers of the Municipality.

I write to state that during the general revision of the pay of several establishments of the Municipality as sanctioned in G.O. No L. 1810-1/M1. 105-42-15 dated 24-8-48, the grade pay of the Drivers of lorries and other vehicles of the Municipality had been fixed at Rs. 30-2-50 uniformly. The several lorry-drivers of the Municipality having represented that their pay was very low in comparison with the pay of similar employees in the sister institutions, their pay was revised to 45-2-65 as per G O. No.L. 1988-9 CM 6-49-38 dated 20-5-50 and the incumbents were given the benefit from 20-5-50.

The steam road roller drivers represented that their work is no less orduous than that of the lorry drivers and that they were equally entitled to be at least treated on a par with lorry drivers. The question of revision of the scale pay of these employees had been deferred for a separate consideration while making recommendations in respect of lorry drivers, and the question was examined in detail by the works Committee, Managing Committee and the Council at their meetings held on 23-7-51, 18-8-1951 and 31-8-1951 respectively

Correspondence ending with letter No M4 C 391—47 48 dated the 22nd April 1948 from the President Mysore City Municipal Council submitting for sanction proposals for the revision of the scales of pay o the several non gazetted employees of the City Municipality

Order No L 1810 1—Ml 10ɔ 48 15 dated Bangalore the 24th August 1948

The action taken by the Municipal authorities in having permitted the drawal of the basic pay of the revised cales by the employees is approved with the observation that at a time when the financial position of the Mysore City Municipality was far from satisfactory it was not correct to have done so in anticipation of sanction of Government

2 Sanction is accorded to the revised scal s of pay as indicated in the proposition statement appended with effect from 1st January 1947 subject to the modification that the scales of pay of the following appointments will be fixed as shown against them —

The Octroi Superintendent	Rs 120—10—200
The Chief Store keeper	Rs 60—5—90—6— 1ɔ0 *plus* 15 C A

3 This sanction is also subject to the condition that the Municipal Council is prepared to shoulder the entire burden of additional expenditure caused by the revision both at present and in future without expectation of any grant from Government to meet even a portion of the extra cost on this account The need to take neces ary steps to improve the finances of the Municipality by recourse to new sources of revenue so that they could meet the additional expenditure is imperative Should any occasion ari e in future so as to make it not possible for this Municipality to bear this burden the question of retrenching the staff to the basic m i mum level should also be seriou ly c nsidered The allocation statement based on the revised scales of pay should be prepared strictly in accordance with the principles enunciated by the Government in several orders about weightage etc in respect of their employees and submitted for the orders of Government before the end of Septembe 1948
